

PLEASE HELP !!!

SOHA needs YOUR support to stop the demolition of innocent people's homes in Axarquia and beyond.

We need YOU to join the demonstration march taking place in Malaga on the 17th March 2010. Bring your whistles, trumpets and all things noisy.

The date coincides with a 2 day EU summit meeting taking place in Malaga over the 17th and 18th March. We desperately need to bring our plight to the attention of both the EU ministers and the Junta de Andalucia.

Coaches will pick-up from the Feria Ground (the car park behind Eroski in Velez Malaga)

The coaches will pick-up at 10.30am and return from Malaga at 4pm.

The cost per person is 5 euros, payable in advance.
